4. While other clients must pay in advance, YOU get to pay upon arrival or after your session; request an invoice so you can pay a few days later; or set up your tailor made payment plan.
5. If I have several requests for the same time, YOU get to be the first to book your appointment time upon request by simply sending me a text or email.
6. Other clients must book their appointments at least 24 hours in advance and only when I am open to see clients. YOU get remote appointments and telephone consultations at any time you need them instead of during my regularly scheduled hours.
7. And of course, YOU get an immediate response as soon as I receive your communication; even if messages from other clients are waiting.

Always remember YOU are a VIP at Hypnotherapy by the Bay!

I am grateful and I appreciate you! ❤️
